“A Decade of Homeland Security: Lessons Learned”

SWACJ conference in Houston, Texas
 October 4-6, 2012

President
Lorie Rubenser

Hi All –

I’ve just returned from a site visit to the conference hotel in Houston/Clear Lake. I met there with our Secretary, Christine Nix, our Site Coordinator Helen Greene, and Tiffiney Barfield-Cottledge who represents our host school of University of Houston Clear Lake. These ladies have really pulled out all the stops to set up a great conference experience for us all.

The Hilton Houston Nasa Clear Lake Hotel staff has gone out of their way to be helpful. They’ve given us an entire floor, dedicated just to our conference. We have fantastic meeting rooms, a ball room for our lunch, and a special room for the CSI competition.

The hotel is truly beautiful, with a space age theme that is tasteful and not overdone. The rooms are comfortable and most have a waterfront view. Down the street, walking distance away is the Lyndon B. Johnson Space Center, which provides a variety of tour experiences. This is perfect for families.

For persons staying in the hotel and registered for the conference, there will be a complimentary breakfast buffet on Friday and Saturday. This is more than the normal pastry and coffee. Eggs, bacon, etc. and yet it still fits in our normal price point. You can register for the hotel at the

conference rate through the SWACJ web site. I would encourage you to consider coming early and staying late to tour the area if you have the time and interest.

A short car trip – less than 10 miles, is the Kemah Boardwalk. They have one of the few wooden roller coasters still in operation. A variety of shops and carnival type experiences are also available here.

For those of you having extra time and an interest in the city of Houston, I strongly recommend calling the Houston Greeters and arranging a tour. We went on one of these walking tours and saw everything from the skyscrapers to the tunnels. The tour guides know a lot about the history of the city and the individual buildings. I learned a lot. We're putting a link on our web site for this group so you can sign up for tours on your own time schedule.

There are lots of things to see and do at this conference location, but of course we also want to give you lots to see and do within the conference. We have the undergraduate quiz bowl on Thursday, the CSI competition on Friday, a dog unit demonstration from the Houston Police Department, and of course a variety of panels and roundtables. We are also having our first poster session at this conference.

For those who are interested, we are also having a tour of the Harris County Jail – see the web site for pre-registration instructions.

Please be sure to register for the conference and the events, and keep sending those presentation proposals coming.

See you all in Houston!

Lorie

A beautiful view from every room

Combining a unique waterfront location with close proximity to some of the Houston area's most popular attractions, the Hilton Houston NASA Clear Lake hotel is a great place to stay if you want to make the most of your time. Visit the Space Museum at the NASA Space Center located only yards from the hotel. Head to the USS Texas museum and step aboard a genuine World War II battleship. Make the 10-minute trip and stroll through Kemah Boardwalk, home to a range of restaurants, bars and the Boardwalk Bullet wooden rollercoaster. Try your hand at some water sports or take a boat trip. Alternatively, enjoy sun, sand, and sea at nearby Galveston Beach.

Galveston

Where the Texas Coast Begins

Galveston offers 32 miles of relaxing beaches, superb restaurants, top resort hotels, marvelous downtown shopping, numerous antique stores, incredible art galleries, fabulous entertainment and one of the largest and well-preserved concentrations of Victorian architecture in the country.

Galveston is a small romantic island tucked deep within the heart of south Texas possessing all the charm of a small southern town and just 40 minutes south of the fourth largest city in the United States. At 32 miles long and two and a half miles wide, most residents cannot remember the last time they visited the mainland and, if circumstances permitted, they would never leave.

Other than the beach, the top destination for Galveston visitors is the 242-acre Moody Gardens. Part theme park, part educational and rehabilitative facility, part pleasure garden, Moody Gardens is a vacation all by itself. Upon entering Moody Gardens, you are instantly wowed by the lush and other worldly environment created by the Moody family. Amidst the profusion of tropical plants gleam three glass pyramids – pink, blue and white – housing a 10-story rainforest, one of the world's largest aquariums, and an educational Discovery Museum.

The best way to connect to Galveston's past is by an excursion through one of its historic districts, or a tour of one of the historic homes that are open to the public. Stroll through the 36-square-block area of downtown Galveston, exploring the enticing shops on The Strand, the waterfront district, and the docks for the cruise lines, and the trendy Postoffice Arts District. Pick up one of Galveston Historical Foundation's excellent brochures.

Museum's abound, whether you fancy land, sea, or air - from the art deco Railroad Museum at the foot of The Strand, to the Ocean Star Offshore Drilling Rig and Museum on Pier 20, to the Lone Star Flight Museum (next to Moody Gardens), and the Texas Seaport Museum on Pier 21 featuring the Tall Ship *Elissa* round out the Island's collection.

Galveston has shopping for most everyone's tastes, whether you like upscale, artsy, or beach trendy. With a city this historically minded and individual in its tastes, expect to find wonderful antique and curio stores; look for treasures both downtown and on Broadway.

The Island has seen its share of calamities, yet the worst natural disaster in U.S. history could not erase the tranquility of a Galveston sunset.

From soft sandy beaches to famous 19th century architecture, the island is surrounded with incredible history and unique beauty.

Battleship TEXAS

In 1948, the Battleship TEXAS became the first battleship memorial museum in the United States. That same year, on the anniversary of Texas Independence, the TEXAS was presented to the State of Texas and commissioned as the flagship of the Texas Navy. In 1983, the TEXAS was placed under the stewardship of the Texas Parks and Wildlife Department and is permanently anchored on the Buffalo Bayou and the busy Houston Ship Channel.

The Battleship TEXAS program provides many recreational and educational experiences for visitors and organized youth groups, as well as numerous programs for students of all ages, self-guided tours of the Battleship and Battleground, confined space rescue training, and internships.

San Jacinto Battleground State Historic Site

The 1,200-acre San Jacinto Battleground State Historic Site, which is also a national Historic Landmark, consists of the Battleground, Monument and [Battleship TEXAS](#). It is located within minutes of downtown Houston and a short distance to the beaches of Galveston Island. Millions of visitors come to this area each year to enjoy the mild coastal climate and cultural and sports activities. Visitors can experience history first-hand through living history at the San Jacinto Battleground and Battleship TEXAS State Historic Sites.

The famous Battle of San Jacinto that brought Texas its independence was fought on this site. Texian troops under General Sam Houston achieved the independence of Texas by defeating a Mexican Army led by General Antonio Lopez de Santa Anna on April 21, 1836.

Poster Session

Southwestern Association of Criminal Justice

The *Poster session* offers the opportunity to participate in an innovative, progressive, interactive presentation of your research guaranteed to reach a wider audience than traditional panel presentations.

The poster session is a collection of visual displays of research that encourages informal interaction between authors and attendees. The primary author of a Poster presentation must be in attendance and committed to stay throughout the presentation.

How to be a Poster Presenter:

Submit presentation topics via the **Abstract and Panel Participation Form**. Upon acceptance, prepare a visual presentation for your paper, and bring it to Houston.

Set up your presentation in your assigned spot 30 minutes BEFORE the poster sessions begins and remain at your spot for the full time the poster session is scheduled.

The poster presentation

A poster consists of two components. First, it is a visual display of research and secondly, it involves interaction with the audience. The research is usually PowerPoint slides or some other computer software. Then the slides are printed and placed on a poster stands provided by SWACJ. The visual display includes text, tables, graphs etc. Some people choose to have their posters printed professionally or laminated; this is a personal preference but is not required. The second component of the poster research requires that the author(s) interact with the audience during the allotted session time. Conference participants browse the displayed visual presentations of research and have an opportunity to inquire about the research.

Anyone interested in presenting research may do so by submitting an **Abstract and Panel Participation** form no later than **midnight 9 September 2012**.

No one can present* more than one poster presentation at the conference. However, participants may be a co-author of research with other co-authors who will present the additional research. Each poster presentation must have an author present to interact during the duration of poster session. (*No person's name may appear more than twice as author or presenter).

No unattended presentations. At least one presenter is required to stand by your poster for the entire session. If there is more than one author, it is acceptable to alternate or split up times with your coauthor(s). If your research is accepted, we will expect someone to be available to present it in your place. Please plan and have a backup person who can present the research on your behalf if you cannot attend the conference.

Please contact Christine Nix at swacj.org@gmail.com with questions regarding the poster session.

2012 SWACJ STUDENT PAPER COMPETITION

WHO IS ELIGIBLE?

Graduate and undergraduate students currently enrolled (and those who will be enrolled for the fall 2012 semester) in a university, college, junior college or community college within the Southwest Region.

Call for Teams

The Southwestern Association of Criminal Justice
is pleased to announce the
Second Collegiate Undergraduate Team
Crime Scene Interpretation Competition

Friday October 5, 2012
Beginning at 2pm
Location to be announced

The competition will be held as part of the Annual Meeting of the Southwestern Association of Criminal Justice (SWACJ). Teams will photograph, sketch, and document a processed crime scene.

Teams may consist of up to five members. Teams must be sponsored by a faculty member of their home institution who is a member of SWACJ. All team members must be registered as meeting attendees. We ask that teams not include professional, reserve, or former peace officers or crime scene technicians regardless of status as students.

Teams will be judged on professionalism, accuracy of processing and interpretation, and compliance with recognized standards and protocols.

For further information or registration, team sponsors should send an email to

George Eichenberg at:
eichenberg@tarleton.edu

To be considered for competition, entries must be received by
midnight, **September 16, 2012.**

Annual SWACJ Undergraduate Student Criminal Justice Quiz Bowl

Team Composition: A team will consist of two to four members. Team members must be registered for the Annual Meeting as students. Teams will be registered on a first to register, first to qualify basis. A maximum of 8 teams will be allowed to participate. Each college or university participating in the SWACJ Annual Meeting may enter *one* team.

Teams must pre-register by contacting Dr. Claudia San Miguel (csanmiguel@tamiu.edu) by **September 16, 2012**. Teams do not have to list exact members to pre-register for the Quiz Bowl – simply indicate that a team from a particular program will participate. Exact members must be indicated at conference check in where registration for the conference will be verified.

Relays (Rounds): There will be two relays plus the championship round. For the two relays, teams will be divided as evenly as possible. Placement/assignment of the teams for relays will be done randomly. The winning team from each relay will then compete for the championship. The two teams in the championship will not carry any previous points (or standing) from the first relays. Thus, both teams in the championship will start with zero points. The team with the most points in the championship round will receive the first prize (\$250). The second prize winners will also receive a cash award (\$150). **Prize money** for first and second place will be given to the faculty advisor for the winning teams to be used as they determine.

Teams in the first relays will be quizzed from the categories of:

1. **Introduction to Criminal Justice** – Five questions commonly found in intro CJ textbooks.
2. **Courts and Criminal Procedure** – Five questions from courts and/or criminal procedure textbooks.
3. **Women and Minorities** – Five questions relating to the impact of the CJ system on Women and Minorities
4. **Criminological Theory** – Five questions about theories of criminality.

In the event of a tie, the category will be *potpourri* for best of two out of three questions.

Teams in the championship relay will compete for first place. They will be quizzed from:

1. **Law of Arrest, Search, and Seizure** – Five questions.
2. **Major Supreme Court Decisions** – Five questions.

In the event of a tie, the category will be *potpourri* for the best of two out of three questions.

In all relays, Team Captains will have buzzers to ‘buzz-in’ when their team is ready with a correct answer. The Team that buzzes in first will be given the first opportunity to answer. Should that team give an incorrect response; the next team to buzz in will be given opportunity to answer, and so on down the line.

Good sportsmanship will be observed at all times by all participants and spectators. Individual participants who engage in rude, disrespectful, or unsportsmanlike behavior may be disqualified. Participants must keep cell phones out of sight during the Bowl. Spectators who engage in rude, disrespectful, or unsportsmanlike behavior may be asked to leave the event. This includes attempting
